What is AUDISOL® Pain Relief Spray?

AUDISOL® Pain Relief Spray contains a unique blend of herbal, non-steroidal, natural anti-inflammatory and local analgesics. The advanced triple action formula helps to:

- Dissolve excessive earwax
- Reduce painful swelling
- Provide anti-infective protection
- Treat and prevent fungal infection
- Prevent dryness, itching and irritation

What Causes Ear Pain?

The external ear canal can become infected because of the accumulation of earwax, trapped water, dryness of the skin or foreign bodies in the ear. This can cause discomfort, itchiness, and even temporary hearing loss.

Directions for Use

Adults, the elderly & children 5 years and over: Adjust the spray mechanism of AUDISOL® Pain Relief Spray to a horizontal position. Press firmly and fully, downwards on the spray pump 1-2 times in each ear. Clear away any excess residue with a clean tissue or cotton wool. Use three times per day as needed.

Children 1-5 years: Children under 5 years of age should receive medical diagnosis before use.

Warnings

- Do not spray into the eye.
- Should not be used if the eardrum is perforated.
- Keep out of the sight and reach of children.
- If symptoms persist, consult your doctor.
